The San Marino Tennis Foundation was established in 1968 as a non-profit corporation to build the Lacy Park tennis facility with the mission to promote tennis in the community. The SMTF donated this facility to the city of San Marino, but still oversees the operation of the facility and is responsible for its maintenance. The courts are also open for play to non-members, either as a guest of a member or as a community member, both for a daily usage fee of \$10 per person. A full-time professional staff is available for individual tennis instruction, and group clinics are offered for both adults and juniors at all levels of play. Tennis activities, such as tournaments, interclubs, and social events are held through out the year.
