The San Marino Tennis Foundation acknowledges receipt of \$_____ which includes a \$550 initiation fee and pro-rated dues for the year of _____ in the amount of \$_____.

Staff Signature _____

The San Marino Tennis Foundation was established in 1968 as a non-profit corporation by approximately 200 San Marino families with the mission to promote tennis as a recreational activity in the community. After its establishment, the Foundation, at its expense, built six championship tennis courts and clubhouse with a pro shop and locker rooms. Then the SMTF donated this facility to the city of San Marino. However, the Foundation still oversees the operation of the facility and is responsible for its maintenance.

*Membership in the San Marino Tennis Foundation is open to all residents of the San Marino Unified School District and those who work in the city of San Marino. **Members pay a one-time initial membership fee of \$550 and annual dues are \$225.** The entire amount of annual dues is due and payable in January each year. For those joining during the year after January, the dues are pro-rated. Membership entitles all immediate family members residing in the applicant's home to play on the Lacy Park courts. Members in good standing may reserve a court online using the Foundation's reservation system at sanmarinotc.tennisbookings.com.*

The courts are also open for play to non-members, either as a guest of a member or as a community member, both for a daily usage fee of \$10 per person. A full-time professional staff is available for individual tennis instruction, and group clinics are offered for both adults and juniors at all levels of play. Tennis activities, such as tournaments, interclubs, and social mixers are held throughout the year.
