Pro-Rated First Year Dues: + _____

Total Application Fees* = _____

Checks payable to: **San Marino Tennis Foundation** *initial fee and annual dues are not tax deductible

After application approval, you will be contacted by the Membership Chairperson.

The San Marino Tennis Foundation was established in 1968 as a non-profit corporation by approximately 200 San Marino families with the mission to promote tennis as a recreational activity in the community. After its establishment, the Foundation, at its expense, built six championship tennis courts and clubhouse with a pro shop and locker rooms. Then the SMTF donated this facility to the City of San Marino. However, the Foundation still oversees the operation of the facility and is responsible for its maintenance.

New Memberships shall only be available to persons who are: (a) residents (proof of residence will be required, such as a utilities bill or insurance) within the boundaries of the San Marino School District (the "School District"), or (b) are employed within the School District or the City of San Marino (upon proof of eligibility). **Members pay a one-time initial membership fee of \$550 and annual dues are \$350.** The entire amount of annual dues is due and payable in January each year. For those joining during the year after January, the dues are pro-rated. Membership entitles all immediate family members (spouse and children up to the age of 26) residing in the applicant's home to play on the Lacy Park courts. Extenuating circumstances regarding family members may be granted per Board approval. Members in good standing may reserve a court online using the Foundation's reservation system.

The courts are also open for play to non-members, either as a guest of a member or as a community member, both for a daily usage fee of \$10 per person. A full-time professional staff is available for individual tennis instruction, and group clinics are offered for both adults and juniors at all levels of play. Tennis activities, such as tournaments and inter-clubs are held throughout the year.
